

(30 Dec 2012) VFW Members accompanied by Paiboon and his wife Daeng delivered a few supplies to the Udonthani Home for Girls. Located @ 9 km South of Udon on Hwy 2, it is currently home for approximately 400 orphans from 19 provinces in Northeastern Thailand. The children's ages range from infant to 18 years old. **Goals:** To help and facilitate children's physical, mental, emotional and vocational training according to capabilities and interest of each of them so that they may be able to make their own living, be self dependent and not a social burden.

A few of the children were selected to meet with us and accept our donation. Pictured with the children and staff are from left to right, Bert Marohl, Al Fitchett, Mike Kirkpatrick, Bill Merritt, & Paiboon (proprietor of our VFW meeting place)
